Co-ordination between customs and licencing authority

*218. DR. K. MALAISAMY:
SHRI S. ANBALAGAN:

Will the Minister of FINANCE be pleased to state:

(a) what is the mechanism to co-ordinate between customs authority and licencing authority;

(b) whether it has been adequate and effective, and if not, what are the measures in the offing;

(c) whether there is any co-ordination mechanism and reconciliation process among assessment group/SVB/SIIB in the assessment of value and levying of customs duty;

(d) what is the machinery to monitor the observation given by SIIS; and

(e) whether there are cases of non-fulfilment of Export Obligation due to incorrect reckoning of export and if so, what are the measures to check the recurrence of this type of lapses?

THE MINISTER OF FINANCE (SHRI P. CHIDAMBARAM): (a) and (b) There is a well laid-down coordination mechanism between the customs and the licensing authorities. At the Ministry level, the Department of Revenue is represented in the various Committees of Department of Commerce and DGFT, like the Board of Approval, Norms Committee, DEPB

Committee, Grievance Redressal Committee etc, which facilitate proper coordination between the two Departments. Trade Facilitation Committee meetings provide a forum for exchange of views between the customs and the licensing authorities at regional levels. The existing coordination mechanism is considered to be adequate and effective. The coordination mechanism will be improved further after the Electronic Data Interchange between the customs and the licensing authorities is fully established for all export promotion schemes.

(c) and (d) The Special Valuation Branch (SVB), Special Intelligence and Investigation Branch (SIIB) and Appraising Groups work in close coordination with one another to safeguard Government revenue. The SVBs provide valuable inputs to the asessing officers for valuation of the goods. The SIIB issues Alerts, *Modus Operandi* Circulars from time to time which provide valuable guidance to the assessing officers. References made by the Appraising Groups to SVB/SIIB are monitored by the supervisory officers in the Custom Houses.

(e) Cases of non-fulfilment of export obligation arise due to a variety of reasons. However, no cases of non-fulfilment of export obligation due to the alleged incorrect reckoning of export have been reported.

Irrigation schemes for North Eastern Region

*219 SHRI O.T. LEPCHA: Will the Minister of WATER RESOURCES be pleased to state:

(a) the details of irrigation schemes and programmes approved for the North Eastern Region, State-wise;

(b) the details of funds sanctioned, released and spent by the Central Government during the last three years, State-wise/scheme-wise; and

(c) the details of schemes completed so far and by when the rest of the schemes are likely to be completed?

THE MINISTER OF STATE IN THE MINISTRY OF WATER RESOURCES (SHRI JAY PRAKASH NARAYAN YADAV): (a) Investment clearance for major projects and certain medium projects (on inter-State rivers or their tributaries) is accorded by the Planning Commission as per their guidelines. From April, 1990, onwards 6 nos. Major and Medium Irrigation
